

INDIA'S CHESS LEARNING PLATFORM

Think. Play. Win.

Chess99 is India's dedicated platform for school students and adults — combining play, structured training, video lessons, live tournaments, and progress tracking in one place.

EVERYTHING ON ONE PLATFORM

Built for India's Chess Learners

From your first move to competitive tournaments — Chess99 grows with every student and player.

Play Online

Challenge players across India or play against our AI. Multiple time controls — Bullet, Blitz, Rapid and Classical — for every skill level.

vs Players

vs AI

All Levels

Puzzle Training

Sharpen tactics with thousands of curated puzzles. Daily challenges, themed sets, and difficulty progression tailored to your rating.

Tactics

Daily Puzzles

Ratings

Video Lessons

Learn from expert video tutorials on the Chess99-TVD YouTube channel — openings, endgames, strategy and game analysis, all in simple language.
